NRO REVIEW COMPLETED

15 September 1961

MEMORANDUM FOR: Chief, Special Projects Branch, DPD

SUBJECT : Control of CORONA Information

REFERENCE : Memorandum from C/SPB/DPD, dated 14 September 1961, same subject, COR 1318

1. In response to reference, the following personnel, other than Agency assigned, are receiving information on the CORONA program from the Intelligence Staff:

a. The Committee on Overhead Reconnaissance (COMOR) is presently being advised orally of scheduled CORONA and ARGON shots and the nature of the configuration carried, i.e., C prime, C triple prime. In addition, they are given, in general terms, the results of each operation (usually estimated) immediately subsequent to a recovery, when such data is essential to the formulation of new requirements prior to actual read-out.

b. A monthly forecast of scheduled CORONA/ARGON shots is submitted by memorandum to the Military Representative of the President, The Deputy Secretary of Defense, and The Deputy Under Secretary of State for Political Affairs.
